

IN ANY
EVENT

January 10, 1998

To whom it may concern,

My company has had the pleasure of working with the multi-talented Mark Hasselbach over the last 5 years, on many successful events. Mark has consistently shown tremendous professionalism with all the events and has been a wonderful asset to my entertainment roster. Mark is able to put together musical configurations to meet any requirement I have. His band, Sassabraxs are true professionals and always put together an impressive repertoire, with or without Mark's participation. Their versatility is very welcomed and all of my American clients have been very impressed by the Band.

I would highly recommend the Sassabraxs Band to anyone considering them for their event.

Sincerely,
